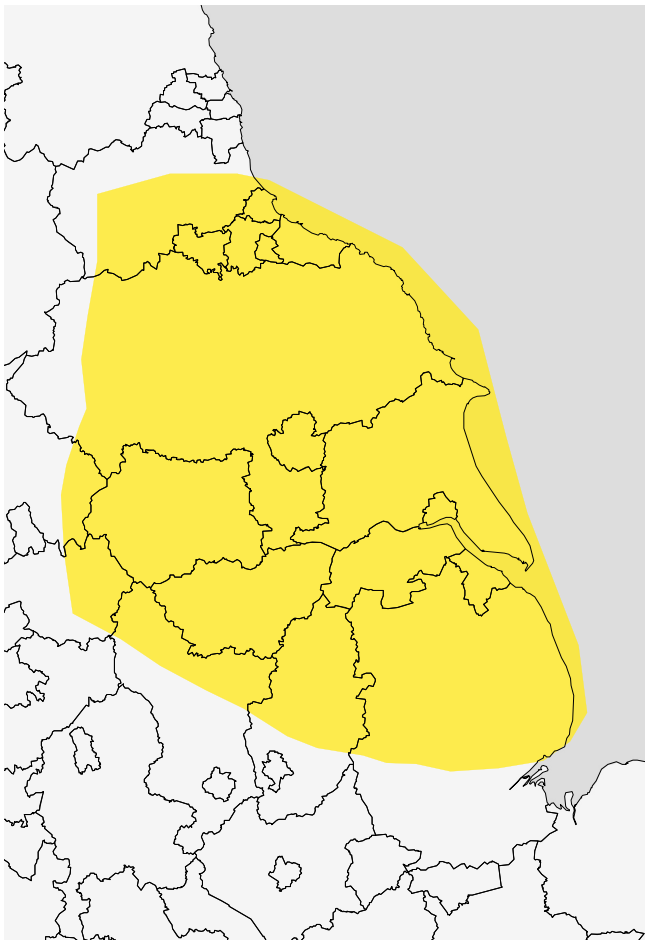
Yellow warning
Rain

Between
06:00 Thu 7 Nov 2019 and
06:00 Fri 8 Nov 2019



Prolonged rain through Thursday and overnight into Friday may bring disruption from flooding.

What to expect

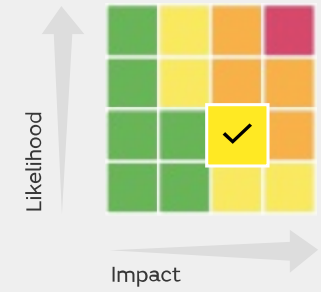
- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, with a risk that some communities may be cut off by flooded roads
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Fast flowing or deep floodwater is possible, causing a danger to life

Further details

Rain, prolonged and occasionally heavy, will affect the yellow area during Thursday. The rain will gradually ease overnight and clear away during the early hours of Friday.

20-40 mm of rain is expected over quite a wide area, with 60-80 mm falling in a few locations over high ground, through the period.

The rain will be accompanied by strengthening northeasterly winds, which may lead to significant leaf fall and impede drainage in places.



Low likelihood of medium impacts
